

# ROSH HASHANAH

---

*(From the picture):* "Rosh Hashanah 1938. This was the last Rosh Hashanah service that my zayde, Chaim, and his neighbor, Baresh—the two patriarchs of the village—conducted. Shabbos and holiday services were always conducted in Shmuel's house, one of the largest and nicest in Mniszek. Most of the furniture was removed, and the Torah was placed in a closet draped with curtains."
