

# RUN FOR YOUR LIVES

---

*(From the picture):* "October 31, 1942. After our night in the fields, Mania and I went back to Ksiezomierz, to Dudzinska's house, where Mania had worked. When she saw us, she pushed us out into the fields and said, 'God help you, run for your lives! Everyone knows you are Hersh's daughters, and the Gestapo were just here.'"
